**Special Projects:**

MOESC Behavior Support Committee

2<sup>nd</sup> of two scheduled committee meetings at MOESC (December and January)

**Purpose of Committee:** to collaboratively develop a framework of services and support to address the expressed needs of MOESC districts.

**Long & Short-Term Goals:**

Mid-Ohio Educational Service Center will develop a comprehensive team to support districts' work regarding the academic, behavioral and mental health needs of students within the region in partnership with local agencies. The Behavior Support Team will use research-driven, evidence-based practices to consult and provide training of practical applications, for use by school leaders, educators, and staff, to most effectively assess and address student mental and behavioral health needs.

Mid-Ohio Educational Service Center will develop and facilitate a comprehensive and effective professional development cohort with networking opportunities to more effectively assess and address student mental and behavioral health needs to improve access to education experiences and life outcomes for students.
