Dear Ms. Crum,

Please accept my resignation from my position as Preschool Itinerant Teacher at the end of my current contract.

Working for Mid-Ohio has been such a rewarding experience. The administration has been very supportive in helping me grow professionally. Working with both Mid-Ohio staff and the Lexington and Lucas school districts have given me great experience in the field of special education.

I wish you all the best. If I can be of any assistance to you during the remainder of the term, please let me know.

Sincerely yours,

Kelly Showecker
