Parent Mentor Grant FY 23:

Grant and Budget grid is prepared for the FY23 Parent Mentor Grant to open in the CCIP.

Communications have been sent to ODE Consultant, Lyndsay Havey, including our draft grant and budget in anticipation of allocated funds. Consultant Havey has offered the opportunity for Mid-Ohio to obtain three Parent Mentor Grants, \$25,000 each. The Parent Mentor team is often double booked in districts such as Mansfield City, Madison Local, and a 3rd Parent Mentor could support these needs. Mid-Ohio is often called to support the Hillsdale (client) and Ashland (non-client) area as well.
