 - **Office flooring** – to be completed in stages beginning 9/26 with the East end of the office.
 - **Painting** - maintenance staff will be taking advantage of empty office (for flooring) by repairing and painting walls ahead of flooring.
 - **Roofing** - Alumni Roofing is currently on-site. The crews are working on roof prep and pressure washing. Alumni has repaired areas around the metal expansion joints. The East end leaks are being reviewed and will be repaired as part of this project.
 - **Restrooms** – we finally received quotes for the flooring (Washington Floors and J&B). We will be replacing all fixtures with touch-free fixtures.
