 - **Office flooring** – According to “crew” they hope to be done with the flooring sometime the week of 11/14.
 - **Roofing** -
 - Stage 1 - Asphalt Coating is complete and will take a few weeks to cure.
 - Stage 2 - Silver Coating will be weather dependent this time of year, but will not take place before Thanksgiving due to cure time of asphalt coating.
 - **Restrooms** – we finally received quotes for the flooring (Washington Floors and J&B). We will begin this renovation as soon as it can be worked into MOCC’s schedule. We will be replacing all fixtures with touch-free fixtures.
 - **HVAC** - final stages of HVAC upgrades will begin soon. Needed to wait until after the “cooling” season.
