QUOTE FOR PROFESSIONAL SERVICES

Provided to: Carrie Wood, Director of Teaching and Learning
Mid-Ohio Educational Service Center
890 West 4th Street
Mansfield, OH 44906

Date of Training: February 10, 2023 (1:00p-3:00p)
(Inclement weather contingency date – April 14, 2023, time TBD)

Scope of Training: This in-person training (to occur at your ESC location) will address practical considerations and challenges associated with implementing the Dyslexia guidebook requirements. This intermediate-to-advanced training will go beyond a simple understanding of the provisions, and address implementation strategies, practical advice, and anticipated challenges that Districts may face with the process of implementing the assessment, reporting, intervention and training requirements inherent in the Guidelines.

Services: Services include preparation and presentation of the training, copies of power point materials in a digital format for all attendees, copies of all supporting documents and/or resources reviewed during training, drive time and mileage, and any lodging/meal costs that may be needed due to weather concerns. We are also holding a contingency date in case member schools are closed due to inclement weather. We have agreed to reschedule the training to the contingency date if needed.

Cost: \$1,500 flat fee, all inclusive

I hope this meets with your needs and the needs of the ESC. Please let me know if you have any questions or concerns. If this is acceptable to you, please signify by signing below. We are happy to work within your typical purchase order/invoicing processes.
