no the only school I've been in where someone brought in a gun there are no officers

### Staff members and other adults at my school listen to students' ideas about the school.

I don't know I haven't given them an idea to listen to

no I don't know how many times the students say the food sucks

### I attend school regularly and try not to be absent.

For people who have some trouble with a normal school

Yes, I've invited 7 current students to our school!!!

TC is great

it feels like family

The number 1 thing I hate is that I don't get home until 4:00pm

I love the Tomorrow Center

my school is awesome. it is helpful. they work one on one with the kids. It is quiet in my classroom with only 10 kids. my teacher is nice. and people are really nice.

this is the best school ever

we are a family

It's a really nice school I love being here and making friends we are like family.

People always say this school is full of bad kids but it's not we are just different than most schools standard and so they send us away to here because they don't like it.

we love it here

it's very good school

The Tomorrow Center is my favorite school I've attended, I went from a failing student to around a C-A range, (typically B-A range)

All questions answered from my teacher's aide perspective. aide
