I love this school.

i love this school so much its the only reason why i'm graduating instead of dropping out.

This school is amazing there are alot of adults here that listen to you and they help when your down you have a lot of friends that will support you

the best school ever

the school is mostly quite

I like this school better than my last school. I like it here.

I really enjoy coming here the students and staff are great. and definitely better than my old school.

enjoyable

Nothing else to say other than that this school is awesome.

Mrs anderson is my favorite teacher and im her favorite student

Anderson is the best though.

i love my school very much

Mr. hunter needs fired

It's a great school, i love it here

fun

best school i've ever been

TC is a very good school for people with trauma or bad grades. and the staff will always try and help out the student again TC is a very good choice of school.

i love my school

It's Nice!

this school change me

its another chance

all schools should be like here

i love it here

please consider action against the disrespect, bullying and manipulation of a small group of individuals who happen to think their the most "valid"

I'm getting blake miley to come next year
