Dear Father Hite,

On Friday, January 29, 2021 I told Mrs. Rastorfer that I was resigning as of immediately. The entire staff at St. Peter's elementary school has been very welcoming to me. Mrs. Rastorfer was always available to help me in any situation I needed her input. I have been having some health issues and can't continue in my part time Title 1 position.

Since I have a K-8 license I would like to be a substitute teacher on a once a week basis to begin with.

I am currently in my classroom getting everything in order.

Sincerely,

Carol Kirkbride
