Dear Superintendent,

Your district's True-Up contract for the 2020-2021 school year is now complete and attached to this e-mail.

Typically, any changes reflected on the True-Up are a result of the following:

1. Changes due to an adjustment in staffing from the start of the year to present.
2. An increase or decrease in the employment costs associated with the staffing of various service areas. These employment cost variables include, but are not limited to, retirement and resignations, salaries for new personnel, adjustments to mileage, fringe benefits, and insurance rates.
3. Funding credit applied for Talented and Gifted Coordination Services.

After reviewing your True-Up documents, please return the original State of Ohio Department of Education Office of Quality School Choice and Funding **signature page**, signed by you and your treasurer, **on or before Wednesday, March 31, 2021** by USPS mail or email.

We will then upload the documents to ODE. You and your treasurer will receive an email prompting you to log into your OH|ID account and e-sign the True-Up documents. Once all e-signatures are in place, ODE will adjust your foundation deduction amount.

Be reminded that any changes or additional services provided after February 15, 2021 will be handled on an individual basis and will be invoiced separately.

Thank you for choosing Mid-Ohio Educational Service Center to serve your district and your students!

Sincerely,

Kevin D. Kimmel
Superintendent
