Board Report
April 2022
Achievement & Leadership

Attendance Software
I met with Chris Miller to work on terms for the new attendance tracking software on April 1, 2022. MOESC determined a set amount of funds that could be invested into the attendance software. Chris and his partner will need to decide a price per student for their product. Chris will return his decision to MOESC by April 8, 2022.

Esports
Mr. Molyet is working with Candy to purchase the necessary equipment. We hope to have everything we need to set up the Esports room in May.

District Support Services
Galion
I continued my work with Galion on March 28th. During our last session we discussed each building's progress toward meeting their goals/objectives and spent time reviewing Ohio's Standards for Professional Development. Our next meeting will be held on April 28, 2022.

Lucas
Lucas has not held a BLT the past few months. The next meeting will be scheduled in May.

Mount Gilead
Mount Gilead continues to work through their new strategic plan by having sub-committees create action steps aligned to the Strategic Plan. Follow-up meetings will be scheduled in May.

MOESC Leadership Development
Student Services continued their learning and lunch series. At our March 25th meeting, each participant received a template to create their own improvement plan. I will provide follow-up supports as requested.

- Lunch and materials will be provided by the FAFSA Grant
- We will host a student leader ambassador meeting on April 11th to finalize the event plan. Students will assist in finalizing the agenda, select the menu, determine the theme, and create a logo.

Safety Plan
MOESC Emergency Operations Plan has been updated with our current information. We are waiting for local signatures from Fire, EMS, and EMA. Once all signatures are received, the entire plan will be submitted to the Ohio Department of Education.

Abraxas Report – (from Shelly Patrick)
- We currently have 76 students and served 77 students throughout the month of March.
- We help 8 IEP meetings, 1 ETR meeting and 2 504 Plan Meetings
- We have 42 special education students and 5 students with a 504 Plan

Ms. Pfeifer planned Pi Day for 3/14. Students memorized digits of Pi to have an opportunity to throw a pie at the Principal and various staff members. One student memorized 105 digits of Pi, another 39 and one memorized 20 digits. There was also a coloring contest and various other activities throughout the day. The Life Skills class decorated cupcakes to look like pie for each student in the school.

Our Algebra I class is first place in the nation for a Magma Math online competition. They are in the lead by at least 600 points.
