Kevin Kimmel, Superintendent, Mid-Ohio ESC  
Mid-Ohio ESC Board of Governors

RE: Resignation for Retirement

For the past four years, I have loved being a part of Mid-Ohio, first as a Striving Readers Coach and now as the Director of Teaching and Learning. It is truly a privilege to be involved in the exciting and critical work being done every day in the districts we serve. Creating and growing the Teaching and Learning team and its services over the past three years has been the capstone of my career.

I had not planned to leave this year, but a recent change in circumstances has taken me down another path. The death of my brother, being diagnosed with a health concern myself, and determining the extent to which my family needs my help in the coming year have caused me to reexamine my plans.

Regretfully, I am submitting my resignation. My last day of work will be July 31, 2022. Please know I will provide any support needed to make a smooth transition.

I extend my heartfelt thanks to the Board of Governors, Superintendent Kimmel, and members of the Cabinet for their amazing support and leadership during my tenure as Director. Being part of this team made the vision and building of Teaching and Learning possible. I will miss you all!

Sincerely,

Lynn M. Meister  
Director of Teaching and Learning  
Mid-Ohio ESC
