Thank you staff for caring 😊

Love this school!!

The school has been the best thing for my son his behavior has improved tremendously and his education. Thank

Not that I know of. But I can't see him going anywhere else.

Yeah the bullying is bad their. Kids still things of my sons and nothing get done about any of it

leaving than when she started. The staff have poor communication skills and little respect for parents. They are very clearly not educated of de-escalation tactics or how to handle troubled students. I have never been more upset with a school or disheartened by the behavior of staff in any years as a parent.

Needs to work on bullying at the school

Bullying is bad at this school

My child had some issues and they knew how to handle it where city schools do not know how. He is loving school

No

These teachers have made it possible for my son to go to school every day he has one more year and he will graduate. If it wasn't for the tomorrow Center I don't know what I would have done with my son the teachers go above and beyond to make everything work and we are truly blessed to have them.
