

## Board Report April 2023 Achievement & Leadership

### Mission Vision Work

#### Ravenna

The leadership team completed Ravenna's *Plan on a Page* (pasted below). Ravenna identified three goal areas: Succeed, Learn, and Love/Serve. The graphic below was created by the Leadership department and represents how all three subgroups align in being **Future Ready**, **Community Outreach and Engagement**, and **Belief in All Students**.

During our March meeting, Ravenna's strategic plan committees completed strategic plan action steps for the first two years. The MOESC leadership team is working to refine the plan document for presentation to the Ravenna Board of Education.

Ravenna School District Strategic Plan			
<u>Mission Statement</u>			
<i>Ravenna, an inclusive learning community, embracing diversity and equipping all students for success. Each child, every day, one step at a time.</i>			
	Future Ready	Community Outreach and Engagement	Belief in All Students
 <b>Succeed</b>	Implement programming to ensure college and career readiness skills. <i>Impact: college &amp; career planning (3Es), service learning, internships, future ready skills, communicating current offerings to students &amp; parents</i>	Instill collective and individual pride in Ravenna. <i>Impact: alumni engagement, community partnerships, student recognition, alumni recognition</i>	Provide a strong foundation of core academic content through a culture of support. <i>Impact: staff training, limit barriers to access, expanded tutoring opportunities, attendance initiatives, connect students' coursework to long-term goals</i>
 <b>Learn</b>	Provide equitable access to programming aligned to student outcomes in academics, extra/co-curriculars, and post-high school success. <i>Impact: staff training, limit barriers to services, engagement with community partners, mentoring services, parent and student education of</i>	Ensure equitable access to services provided at and through school. <i>Impact: staff training, restorative practices, limit barriers to services, mentoring program within school day and after school program, inventive learning opportunities</i>	Use data decision making to gain an understanding of student needs, strengths, and interests to inform a challenging and accessible curriculum. <i>Impact: staff training, equitable resources for staff to access, limit barriers to service, family and community involvement for tutoring services, extensive use of technology</i>
 <b>Love and Serve</b>	Enhance equitable access to SEL services and supports. <i>Impact: staff training, restorative practices, student and parent support groups, community engagement, mentoring and counseling services, limit barriers to services</i>	Strengthen community connections through engagement and service. <i>Impact: student and family engagement events, student community service projects, connection to community services and supports, parent organizations</i>	Foster a culture of supports focused on mental health, physical health, social emotional learning, diversity, and cultural responsiveness. <i>Impact: staff training, safe spaces for meaningful dialogue, connections to services, services infused within educational spaces</i>
Ravenna is committed to referring to the DEI Task Force Recommendations during the organization, planning, and implementation of the strategic plan.			

## Aspiring Leader Conference

Our Aspiring Leadership Academy has been successful so far. Even though the group is small, 8 participants, the work has been great. This series is focused on the daily functions of school leadership. Participants will have the ability to take the course and receive 2 credit hours through Ashland University.

Future dates of the training sessions are:

April 25<sup>th</sup>: Celebration and Communication

May 11<sup>th</sup>: Aspiring Leader Showcase (all superintendents invited to participate)
