Our efforts will now turn toward curriculum enhancements in preparation for presentation to our districts for implementation in the fall of 2023. Teacher Bootcamps began in Crawford County on June 5th, and will launch in Richland and Morrow Counties the week of June 12th, concluding in all counties by June 28, 2023. The bootcamp activities will consume approximately 15 days in June. Leadership Unlimited Graduation is June 8, 2023! Also that day, my team has planned the following [agenda](#) on the topic of economic growth.

After School & Summer Learning Grants (SPARC Council) “READY FOR HIRE”The continuation application process was completed by May 19, 2023. Program compliance is underway for completion by the June 30th deadline. Site Coordinators received the requirements on June 5, 2023 and we are working to revise and collect documents based on the new requirements. Summer programs are taking place during June and July at Selover Library, Bucyrus Library and in partnership with Richland New Hope. Student internship placements are being provided in partnership with Youth and Family Council and Goodwill Industries.

21st Century Community Learning Center Grants Galion is running summer programs as planned. End of the year evaluation data and document collection is taking place with the Program Manager. We expect to receive notices of funding for our new and continuation grants in mid July.
