**Student Leadership Conference**
Our next student leadership conference will be held on November 15, 2023. Registration opened Friday, October 6th, and we already have 5 schools committed. We are very excited to host area students for a day of learning and leadership.

Principal Network
The next installment of the Principal Network will take place on November 7, 2023, from 9:30-11:30am. The agenda will be comprised of a legislative and legal update and communications strategies to improve building communications.

Leadership and Learning with GOAL
GOAL Digital is undergoing the process to update their mission, vision, and strategic plan. I had the opportunity to facilitate a day of learning and planning with the GOAL administration. I am impressed with the level of professionalism and amount of work these administrators assume on a daily basis.
