COLLABORATION, CUSTOMIZATION AND CREATIVITY

## Board Report August 2024 Leadership & Learning

We are looking forward to supporting all our districts this school year. We are seeing the collective impact of our team as districts are utilizing all facets of our department (leadership, literacy, math, and gifted consultation) more than ever before.

### Gifted:

Consultants: Sherri Richter, Leanna Ferreira, Jenny Pennell, Rebecca Kidney, Lisa Gonzalez, Colleen Haynes, Leah Barger, Danya Davis, Connie Massaro

- Gifted consultants are working on initial outcomes in districts that ensure proper identification and meaningful service for gifted and advanced learners. We are increasing our communication frequency with districts this year to better serve our schools.

### Literacy & Math:

Consultants: Sherri Richter, Heather Dillon, Lisa Walter, Connie Massaro, Danya Davis, Leanna Ferreira, Rebecca Kidney

- Mid-Ohio was able to help support STEM camp at Lexington Elementary in July and August. The camp was a great success and Lexington students of all ages benefited from learning more about opportunities in Science, Technology, Engineering, and Math.

### Grants & Other Supports:
