Behavior Support Team:

Akron Children's Hospital Mental Health and Wellness Consultant, Lisa Riegel has requests for professional development/trainings in Mansfield City and Mount Gilead. These potential agreements in addition to previously contracted services from Lisa Riegel may reach the Akron Children's Contract amount by the end of the school year.

1. BST Trainings Offered:
 - a. October 29th - First Training of a three-training series supporting Paraprofessionals and Intervention Specialists
 - b. December 9th, *Biology of the Brain*, by Lisa Riegel. Open to Central Office and Building leadership.

Student Services

- c. Book Study - January 2025 - *Good Energy*, Casey and Callie Means. Lisa Riegel will facilitate with additional content support from Akron Children's Hospital. Original request for book study topic - Highland Local.

SLP Mentorship Pilot: Johanna Gilland, Kevin Fourman, and Jennifer Crum met with Guidance Counselors and Student Services Directors from Richland, Crawford, and Morrow County Mentorship pilot districts on Friday, October 4th. The opportunity to meet allowed our team to communicate the progress of the pilot framework and dialogue with the district representatives on how to customize components of the framework and align with district expectations.

District Partnership Events: MOESC Participated in the Hillsdale Disability Awareness Fair on October 8th. The goals for the Disability Awareness Fair included the following: *a) teach students about the different disabilities that are in our school and community; b) connect students and parents to services that they may not know about; c) help older students think about future careers; and d) help older students think about colleges and degrees that are part of the Special Education field.* Maddie Kimmel, Future SLP Graduate Development Program candidate, represented MOESC by participating in the Fair.
