

Board Report October 2024 Achievement & Leadership

Student Leadership

We will be hosting our next student leadership conference on November 14, 2024, from 9:30am-1:15pm. Our keynote speaker will be Roy Hall Jr. (former Ohio State football player) with the Driven Foundation. Members of the Board are welcome to attend our event, please let me know if you wish to attend so we can order enough lunch for all guests.

Threat Assessment Training

All schools in Ohio are required to have teams trained in threat assessment and school safety. MOESC will be hosting a training for new staff members on October 15, 2024. For experienced (previously trainer), we will host an advanced training on October 28, 2024. At present, there are close to 70 participants enrolled in our two sessions.

Leader Network

MOESC will be hosting our principal (leadership) network meeting on November 7, 2024, from 9:30-11:30am. Our focus will be discipline and behavior modification of students with disabilities.

State and National Presentations

Amber Clay-Mowry and I are excited to present at the state and national level over the next two months. On November 11, 2024, at 4:00pm, we will be presenting at the OSBA Capital Conference in Columbus Ohio. Our presentation is focused on how school districts can build and maintain strategic partnerships.

On December 5, 2024, we will be presenting at the AESA National Conference. Our focus will be on how ESC's can assist their client districts in building and maintaining strategic partnerships. We would like to thank the board for supporting our efforts locally and beyond.

Leadership Support by School

Five (5) schools are currently purchasing leadership supports through the newly formed Leadership and Learning Department.

- Bucyrus: Shared Leadership
 - The Bucyrus Middle School and High School Teams are bolstering their leadership practices to increase the influence of teachers and staff. Their focus areas are improving intervention programming and impacting instructional strategies being deployed in classrooms.
- Lexington: Co-plan/Co-serve (I3)
 - The Lexington Administrative team will be exploring co-planning and co-serving students with disabilities through the use of the I3 Tool.
- Mansfield City: Co-plan/Co-serve (I3)
 - The Mansfield High School Administrative team is seeking fiscal support to bring in the I3 tool to improve co-teaching practices.

- Mount Gilead: Special Education Supports
 - Mt Gilead Schools did not replace their Student Services Director and has contracted with MOESC to serve in that capacity. We are working closely with the Student Services Secretary and Building Administrators to address all special education needs.
- Fredericktown: DLT, BLT, TBT
 - The Fredericktown Team is improving their shared leadership practices at the DLT and BLT levels.
- St Francis Xavier: Leadership Supports
 - The new principal is seeking support in all areas of educational leadership. She has recently left the classroom and needs support in the basic functions of the school office.
