Board Report November 2024 Achievement & Leadership

Student Leadership

We will be hosting our next student leadership conference on November 14, 2024, from 9:30am-1:15pm. Our keynote speaker will be Roy Hall Jr. (former Ohio State football player) with the Driven Foundation. Members of the Board are welcome to attend our event, please let me know if you wish to attend so we can order enough lunch for all guests.

Federal Hocking

Contract work with Federal Hocking has stalled. Turnover in leadership has changed the district's process. This may be a contract that we need to close early and decide to part ways.

Executive Coaching Project

An executive coaching project will begin at Madison Local Schools. This is a service contract for up to 6 days. The goal of the contract is to influence climate and culture in an elementary school.

OSBA Capital Conference

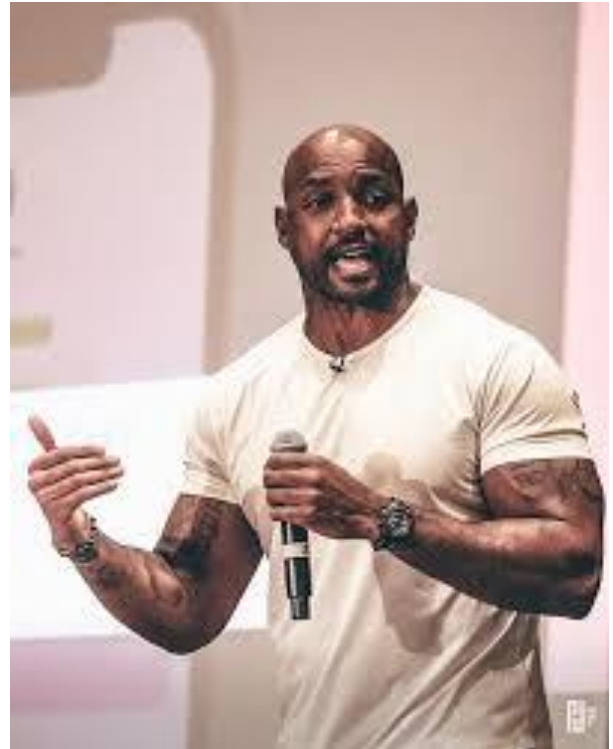

We had a successful presentation at OSBA's Capital Conference. Our session was held at 4:00 pm on Monday, November 11, 2024. There were 25 participants in attendance. Our hope is that our presentation will result in one new partnership.

Principal/Leadership Network

The latest principal/leader network meeting was held on Thursday, November 11th. We provided our area leaders with a legal update (presented by Weston Hurd) and the leader's role in student behavioral supports and interventions.

New Partnership

There is a budding new partnership with Ashland County Community Academy. ACCA is seeking guidance in policy and process around Credit Flex and a competency-based academic program. A project meeting will be held Tuesday, November 19th.
