The Department seeks permission to fund this event with 2025 funds to move forward with contracting presenters and begin promoting the event. While registration will be sought from both MOESC employees and providers outside of the MOESC network, employee team funds and non-employee registrations will be used to fund the event. It is anticipated that \$1,625 from each of the Team Funds will be needed to fund the event, with an estimated total expense cost of \$6500.
