

## Director of Human Resources February Update

### Recruitment

Three new hires will be onboarded for the month of February.

There have been eleven applicants for the Superintendent position at Clear Fork Valley Local Schools. The application deadline is February 13<sup>th</sup>.

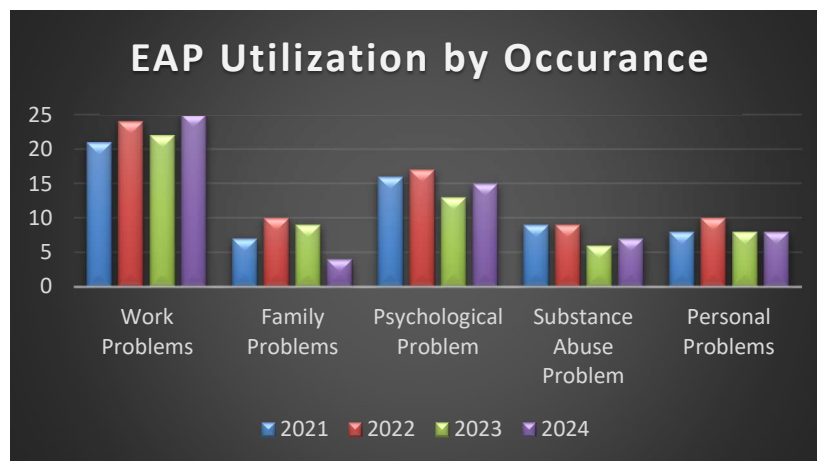

Recruitment flyers will be refreshed. One for our recruiter to use and another generalized for print and social media.

The MOESC Hiring Event is being held on Thursday, March 6<sup>th</sup> starting at 8:30am and runs until noon. As of today, nine districts have signed up and there are nine registered attendees.

We continue to work with DRM on the next phase of materials they are creating for Mid-Ohio. These materials will pertain to the High School SLP Mentoring Program and Development Programs.

### Benefits

We have received 2024 data from our Employee Assistant Program (EAP). Below is comparative utilization data for the past four years.

### Other

- The data for the MOESC Intent Survey has been collected and is currently being reviewed by administrators.
- Collaboratively working with Amy Wood, Director of Grants and Special Projects, on the Grow Your Own Teacher College Scholarship Program and have submitted our first nominee for consideration.
