Network Meetings (Client vs Non-client Participation)

My department was asked to review network attendance for the past three years of data. Below you will see each of the network meetings, attendance (client/non-client), and total attendance. Client districts do not pay for network meetings. Non-clients are charged \$25 per network meeting. Some exceptions are made if districts but into larger professional development contracts or are in the process of transitioning into a client district.

Principal/Leader

Year	Client	Non-client	Total
2024-25	38	8	46
2023-24	18	0	18
2022-23	21	4	25

Curriculum, Instruction, & Assessment

Year	Client	Non-client	Total
2024-25	21	3	24
2023-24	30	5	35
2022-23	28	13	41

District Testing Coordinator

Year	Client	Non-client	Total
2024-25	10	3	13
2023-24	16	1	17
