

CONFIDENTLY LEADING THROUGH  
COLLABORATION, CUSTOMIZATION AND CREATIVITY

## Board Report March 2025

### Leadership & Learning

As part of the team's collaboration with Dr. Mark Burke, Mid-Ohio hosted a student leadership event where students planned a service project for their respective schools. Each school team collaborated to design a letter representing their school on a collective mural.

#### Gifted:

Consultants: Sherri Richter, Leanna Ferreira, Jenny Pennell, Rebecca Kidney, Lisa Gonzalez, Colleen Haynes, Leah Barger, Danya Davis, Connie Massaro

- Academic Challenge events for grades four through high school continue in March on the following dates: 3/12, 3/13, 3/14, and 3/19.
- On February 13th at Mid-Ohio ESC, an impressive group of 26 of the top spellers from the county spelling bees were invited to compete to be the Tri-County Spelling Bee Champion. The competition included spellers from 13 local school districts in grades 4-8.

#### Literacy & Math:

Consultants: Sherri Richter, Heather Dillon, Lisa Walter, Connie Massaro, Danya Davis, Leanna Ferreira, Rebecca Kidney

- As a continuation of the Creating Connections to Content Network, MOESC hosted over 100 teachers across content areas during the month of February.
  - Ramon Capell, an international presenter and math expert on the topic of *Building Meaningful Algebraic Language Concepts for All Students* and brought together area math teachers for a collaborative learning session.

- ELA and Social Studies teachers joined together for a network and learning session to engage in ways to leverage high-yield instructional practices with students.
- Finally, Science teachers had an opportunity to experience hands-on activities such as designing and flying drones and programming a robotic arm as assistive technology.
