To whom it may concern,

I would like to thank the board and administration of Mid-Ohio Educational Service Center for a successful year in the ReadOhio project. At this time, I need to make a different decision for my family and must resign at the end of my current contract. I will not be participating in the ReadOhio project for the 2025-2026 year. Again, thank you for your support and opportunity.

Sincerely,

Ashley Grueshaber
