Dear Superintendent Kimmel and Members of the Mid-Ohio Educational Service Center Board,

I am submitting my resignation as Director of Student Services of Mid-Ohio Educational Service Center for the purpose of retirement, effective January 30, 2026.

Serving Mid-Ohio ESC as Director of Student Services for the past seven years has been among the most meaningful and fulfilling positions of my entire career. The relationships I have built, the teams I have been fortunate to lead, and the communities I have had the joy of serving have left an indelible mark on me.

Under your leadership, Superintendent Kimmel, and with the support and trust of our administration and Board, I have grown in ways I never expected, both professionally and personally, which allowed me to accomplish work that I truly believe has mattered—for our districts and schools.

Thank you for believing in me, for allowing me to serve in this role, and for giving me the opportunity to be part of something so important. I carry immense gratitude for the experiences, partnerships, and friendships that have shaped my time here.

As I step into retirement, please know how deeply appreciative I am for every moment, every collaboration, and every opportunity to contribute. Mid-Ohio ESC will always hold a very special place in my heart.

With sincere gratitude,

  
Jennifer Crum
