

Mid-Ohio Board of Governors January Update

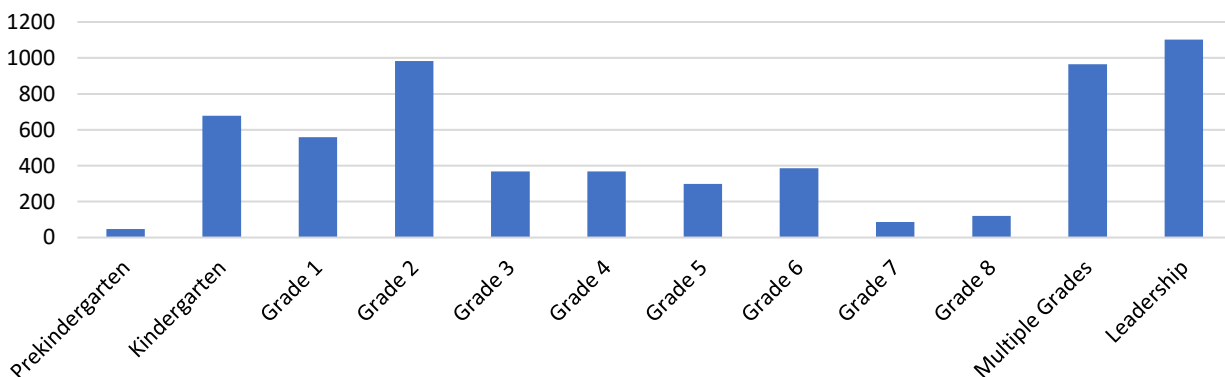

Carrie Wood and Nick Jacobs, Mid-Ohio Directors of Literacy
Read Ohio Regional Coaching Coordinators

Read Ohio: West and Central Teams = 23 coaches total

- Site visits by Nick Jacobs and Carrie Wood continue as necessary to meet with leadership and monitor the Read Ohio coaching work in schools per the service delivery agreements. We have completed 2 rounds of school visits and anticipate one or two additional rounds prior to June 1.
- Our next state network meeting (February) will guide coaches in supporting schools through facilitating reflective conversations about the reciprocal impact of teaming and HQIM. This includes unit internalization and protocols for using explicit instruction.
- Coaches collect middle of the year student data and potentially a second round of explicit instruction educator data via learning walks, which is crucial for the project.
- Mid-Evaluations for Mid-Ohio ESC Coaches are currently being finalized on the west team, and the central team will conclude by January 16.
