Subject: Retirement – Mindy Wood

Dear Shelly, Eric and Jenny,

Please accept this letter as formal notification of my retirement from my position as an Occupational Therapist at Mid-Ohio Educational Service Center, effective July 1, 2026, with my last working day of June 30, 2026.

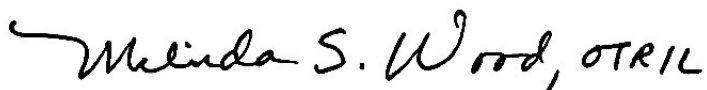

While I am looking forward to this next chapter, it is with truly bittersweet feelings that I step away from a career and organization that have meant so much to me. Throughout my professional journey, I have worked for several organizations and agencies, but MOESC has, by far, provided the strongest leadership, the most supportive colleagues, and the best overall environment I have experienced.

I am deeply grateful to have been part of such a dedicated team that genuinely embraces the mission of serving the whole child through innovation, collaboration, and dedication. I do not say that lightly – the Student Services Department truly lives out those values every day. Working alongside such caring and committed professionals has been one of the greatest privileges of my career, and I will sincerely miss everyone there.

To help ensure a smooth transition, I would be happy to assist with any questions that may arise regarding the Lexington caseload for the 2026–2027 school year. Please do not hesitate to reach out if needed.

I wish you all, and MOESC, continued success in the years ahead.

Sincerely,
Mindy
