

Board Report August 2026 Achievement & Leadership

Implementation Coordinator State Contract

We were awarded the State Regional Instructional Implementation Coordinator contract to support non-evaluative school learning walks across the southern region of Ohio. This work involves coordinating with the Ohio Department of Education and Workforce (DEW), State Support Teams (SSTs), Educational Service Centers (ESCs), and school leadership teams to organize learning walks and site visits that promote continuous improvement in instructional practices.

Key responsibilities include managing schedules, activity logs, and team rosters; ensuring timely and accurate data collection and reporting; monitoring data quality and completion; and collaborating with Literacy Coaching Coordinators to align supports and expectations. The project serves 19 counties across southern Ohio, including Adams, Athens, Brown, Butler, Clermont, Gallia, Hamilton, Highland, Hocking, Jackson, Lawrence, Meigs, Perry, Pike, Ross, Scioto, Vinton, Warren, and Washington counties.

Through this initiative, the organization will help ensure consistent implementation of instructional supports, strengthen literacy practices, and provide schools with meaningful data to inform ongoing improvement efforts.

Goal Area: Create organizational efficiencies and ensure alignment to organizational goals, core values, and purpose.

Organizational efficiencies will be enhanced to ensure alignment with organizational goals, core values, and purpose. Efforts will focus on meeting client district needs through high-quality training, networking, and support while strengthening relationships, building trust, and providing superior service. Key initiatives include aligning expectations, practices, and procedures for Title I and ESL services following the recent transition, addressing mileage-related concerns, improving contract management processes and workflows, supporting the implementation of online timecards and timesheets, finalizing the Media and Marketing staff job description, and reviewing pricing and fee structures to promote consistency, efficiency, and organizational sustainability.

Construction Project Update

Phase 1 - Complete

Phase 2 of the office construction plan is underway.

- Creating 2 new office spaces (Red)
- Board room (Blue)
- Conference room (Red)

Phase 3

- Creating an office space and conference room
 - This space will be used to host our ESC network meetings, internal training sessions, and host collaborative meetings with clients.
