

August 23, 2026

Dear Members of the Pioneer Career and Technology Center Board of Education,

After a great deal of consideration, I have made the difficult decision to resign from my position on the Pioneer Career and Technology Center Board of Education, effective December 31, 2026.

It has truly been an honor to serve Pioneer for nearly four years. I have tremendous respect for the work being done throughout the district and am incredibly proud to have had the opportunity to support Pioneer, its students, staff, leadership, and the communities it serves.

Over the past year, my professional responsibilities have continued to expand, including responsibility for additional care sites, while my family commitments have also grown as my children have gotten older and busier. I have found myself increasingly challenged to give my role on the board the time and attention that I believe it deserves. After missing several meetings this summer due to travel and other commitments, I began to recognize that this may be the right time for me to step aside.

I would like to remain on the board through the end of December to provide ample time for the board to plan for my transition and identify a replacement. I am, of course, happy to assist in any way that would be helpful during that process.

I am deeply grateful for the opportunity to have served alongside such a dedicated group of people. My decision to step away does not diminish how strongly I believe in Pioneer or how much I value the relationships and experiences I have gained during my time on the board. I will continue to be a proud supporter and advocate for Pioneer and its mission.

Thank you for the opportunity and privilege to serve.

Sincerely,

Erin Stine
