This document shall serve as the _____ District's ("Customer" or "District") Acknowledgment and Authorization as provided below.

The Board of Education of the District previously authorized the District to participate in the Ohio Schools Council ("OSC") electric program and to enter into the Agreement Regarding the Electricity Purchase Program of the Ohio Schools Council ("Program Agreement"); and

- OSC seeks to enter into an Affinity/Endorsement Agreement with the selected supplier ("Supplier"); and
- OSC needs the accurate listing of electricity accounts to be contained in this Authorization and Acknowledgment Agreement to be signed by the District; and
- OSC needs the Agency Authorization as provided in the Program Agreement, to ensure that the OSC secures, and the Supplier provides, the electricity necessary to meet the requirements of the District.

The District and OSC hereby agree as follows:

1. The District represents and warrants to OSC (and the Supplier) that the District's accounts effective November 2026 are as set forth in Exhibit A, attached hereto and are anticipated to be in effect with the July 2027 utility meter read date(s) in the OSC electric program.
2. Per the Program Agreement, Section 2A, the District hereby confirms the appointment of the OSC, per the Program Agreement, and for the term of the Program Agreement, to serve as its duly authorized sole agent with the full authority at all times to execute such electric energy service agreements, sales confirmations, transactions and other agreements with the Supplier or any successor Supplier, as they may require.
